***The road construction must be done to a “Short Term” road standard at a MINIMUM. A “Short Term” road is a road with the stumps removed and a bladed running surface. There may be elements of ditching and elevated grade, particularly around wet areas but these features are not continuous.**

Funding Limitation

This contract is being advertised and potentially awarded prior to final confirmation of funding approvals. Bidders are hereby informed that the ministry reserves the right to amend and/or cancel works, and subsequently the contract.

Our obligation to pay money to you is subject to the *Financial Administration Act*, which makes that obligation subject to an appropriation being available in the fiscal year of the Province, during which payment becomes due.

Option to Renew The Contract contains an *'option to renew'* clause whereby the Ministry reserves the right to renew but is under no obligation to renew the Contract for a further Term of up to one year, to a maximum of three terms, subject to funding and satisfactory performance of the Contractor. As renewal is not assured, Bidders are cautioned to prepare their tender price on the basis of a single term contract only. Should the option-to-renew be exercised, the bid rate or bid price is expected to remain unchanged in the subsequent term unless, in the ministry's sole opinion, a negotiated rate change is warranted.
