

## **Chinook Community Forest – Operations Map October 2024**

In accordance with the Forst Range and Practices Act, the public is invited to review and comment on Chinook Comfor's Forest Operations Map (FOM) for areas within the Nadina Timber Supply Area. The FOM is valid for 3 years and shows areas proposed for cut block and road development for salvage of the 2023 Wildfires. The FOM may be relied upon for permits to harvest a cutblock or construct a road. We welcome your comments and feedback during the review period starting **November 1<sup>st</sup>, 2024. Please submit your comments by November 30<sup>th</sup>, 2024.**

The map is accessible for review online:
