PRESENTATION

Adele Gooding, a representative of the Grassy Plains Community Hall Association, presented to the board and made a \$20,000 funding request for the Grassy Plains Hall Foundation Project. The board approved \$20,000, which will provide the organization with the final funding required to complete the project. The organization's hope is that the hall will be open next summer after being closed for three years.

OLD BUSINESS

The K4R Licence is up for renewal.

2025 OPEN HOUSE – CO-OP LAKE

The annual Chinook Open House was held this year at Coop Lake, 67 attendees enjoyed burgers, several friendly competitions, and the opportunity to paddle around Co-op Lake on canoes provided by Spirit North. 100% of supplies for the event were purchased locally.

GENERAL MANAGER'S REPORT

Once the fire danger rating is lower, operations will begin on the Forests for Tomorrow projects.

The GIS exercise for fertilization will start later this fall.

Archaeological Impact assessments around Broman Lake will commence at the end of September.

Chinook will continue to conduct waste assessments as our numbers are significantly lower than the district average.
